

PEACE WEAPON

At last—a weapon for peace.

A weapon that costs nothing.

A weapon so easy to use that millions of people have learned how to use it.

And—most astonishing of all—a weapon that is *absolutely harmless*.

It's called Esperanto. It's a weapon for peace because it can help people all over the world talk to each other—freely, and as equals.

For more information about this peace weapon, write or call today:
