

STOP THE TORTURE!

**EVERY DAY, THOUSANDS OF CHILDREN
AROUND THE WORLD ARE TORTURED —
BY FOREIGN LANGUAGE TEACHERS!**

Memorize the rules! Follow the rules! But then — exceptions to the rules!
Memorize the exceptions! Follow the exceptions! Know which rule at which time!
Any word can trip you up! No wonder learning a language seems like torture.

Now there's a choice that doesn't hurt so much. Simple rules. Clear rules.
Consistent rules. So much easier. Esperanto — the international language *that works*. Doesn't it feel better already?

Help end language torture now!
